About Klapp

- ✓ Klapp streamlines, simplifies and digitalizes administrative communication between the school, students and parents.
- ✓ By using the Klapp app on your iPhone or Android you will directly receive all administrative communication from the school.
- ✓ If you don't own a smartphone or decide not to install the app, you can also see the information online and/or be informed via e-mail.
- ✓ You will have a simple and complete overview of all messages, documents and events.

First steps

1. Download the free Klapp App from the [App Store](#) or from [Play Store](#) onto your mobile device (smartphone / tablet). Search for: «Klapp»
Note: If you don't own a smartphone or decide not to install the app, you can perform the next steps directly from a computer by navigating to <https://klapp.mobi>.
2. Start the Klapp app on your device. Register an account under 'SIGN UP HERE (ONCE)'. In order to perform this step, you require a valid e-mail address. During the registration process, enter the code which you will find further above on this sheet. You can enter additional codes (e.g. for a second child) later in the app.
3. Now check your e-mail inbox and confirm your account (in case you don't see the e-mail, also check your spam/junk folder). This step is necessary for security reasons.

Your Login after registration

1. Log in using your e-mail address and the password you chose during registration.
2. You will now be asked to complement your profile information. With this step the registration process is finalized.
3. You will now receive messages, documents and events from the school (teacher, administrators). You will be notified of new messages by push.
4. △ ADDITIONAL CONNECTIONS - If you receive additional authorisation codes, you can enter them in the menu item "Classes", click (+).

Note: You can login to the same Klapp account on different devices.
